The May 2018 Outcome survey was open from April 2018 to September 2018 and was administered by SERL (Survey Evaluation and Research Lab). The above data reflects analysis that was performed by SERL and the IRDS office. An individual was identified as a “Respondent” if the Student’s Primary Status after graduation was reported. The analysis was performed on a question to question basis and response rates for individual statistics may differ from the overall response rate. For additional questions about the data displayed please contact the Office of Institutional Research and Decision Support at IRDS@VCU.EDU

80% of students responded they were employed or continuing their education

87% of students responded their employment was very related or somewhat related to their Program of study
